### Landscaping at Mt. Olivet Cemetery Chapel

As many of you are aware, in mid June, we put in new landscaping around the chapel. Much of the old landscaping was overgrown or dead so we decided to start from scratch. Mike Shepherd did the work and he will maintain the bushes, beds, and trees so that they will look good for many years to come. I want to thank Debbie Ricker, our maintenance person at Queen of Apostles, for putting in many extra hours of work to water the new bushes, trees, and grass.

### Work at Annunciation Rectory

As some of you have noticed, since the end of June, necessary maintenance work has been done on the rectory: repainting all of the white parts of the house, redoing the skirting around the front porch, and putting in new landscaping. The painting is being done by Tri-County Painting, the porch was done by Kevin Mead, and the landscaping was done by Mike Shepherd. We have already received many positive comments from people, so if you haven't seen it yet, please stop by and take a look

**Annunciation Church Closing for Renovations**

At the public meeting after Mass at Annunciation on Sunday, September 9<sup>th</sup>, parishioners were informed about the upcoming renovations. The idea for this project began with the need to address a safety and maintenance issue. The flooring under the pews was deteriorating and it was determined that it cannot be cleaned and maintained properly without doing more damage to it. Since the pews have to be removed to put the new flooring in, the Committee decided to look at some other things that could be done to enhance the comfort and beauty of our church. The pews will be re-installed with more space between them and the old, heavy kneelers will be replaced with lighter, more comfortable ones. LED lights will be installed in all the light fixtures to increase efficiency and new lighting for the sanctuary will include spotlights to highlight certain areas. The church will be cleaned from ceiling to floor and parts of it will be painted. To clear some of the clutter in the sanctuary and to bring greater visibility to the Communion of Saints who are present with us at Mass, the statues of Mary, Joseph, St. Jude, and St. Therese will be mounted on the walls in the sanctuary. The statues of the Sacred Heart, St. Anthony, and St. Anne will be moved to the shrine by the sacristy door. While we acknowledge there may be other areas of concern or ideas for improvement, we fully realize that we need to be conscientious stewards and take things slowly and with careful consideration so that we can be sure that what we do enhances the beauty and quality of our church's architecture. Over many years, money that parishioners have given to the church has been wisely invested. Therefore, we have enough savings to complete this project without asking anything from the parishioners. This is a gift to all of you on the occasion of our 150<sup>th</sup> anniversary as a way to preserve the beauty of the church and provide for the mission of the Church in Ilion for many years to come. The renovations will begin on October 15<sup>th</sup> and are projected to be completed no later than December 15<sup>th</sup>. The Mass times will remain the same, but all Masses will take place at Our Lady Queen of Apostles in Frankfort. I would like to thank the members of the Committee who helped me develop this proposal: Fran Reina, Skip Ames, Gary Greig, Cyndi Cardarelli, Dave Williams, Carol Lennon, Gary Slopka, Lisa Alexander, Bev Tutty, Fran Retzlloff, Steve Lachacz, and Deacon Mike Carbone.
