Fast and Abstinence During Lent

Abstinence from meat is to be observed by all Catholics fourteen years old & older on Ash Wednesday & on all the Fridays of Lent. This obligation prohibits the eating of meat, but not eggs, milk products, or condiments of any kind, even though made from animal fat.

Fasting means limiting oneself to one full meal on a given fast day. Catholics who are eighteen years of age but not yet fifty-nine are obliged to fast on Ash Wednesday & Good Friday. On fast days, two additional smaller meals are permitted if necessary to maintain strength. However, the two smaller meals together may not equal one full meal. Moreover, eating solid foods between meals on fast days is not permitted.
